Skills

Key

Technical Experience

Full Stack Software Development Student

Prime Digital Academy – Nov 2015 - Sept 2016

- Learned how to build from start to finish rich, interactive applications using MEAN stack technologies (MongoDB, Express.js, AngularJS, and Node.js), as well as PostgreSQL, Passport, jQuery, Mongoose, pg, Grunt, Git, Bootstrap, Mocha, Chai, Sass, Heroku, DigitalOcean, and advanced HTML5, CSS3, and JavaScript
- Adapted industry best practices for code syntax, style, comments, Git/GitHub commits, branches, and pull requests, project management methodologies (Agile, Scrum, and Sprint), requirements gathering, and DevOps (unit and integration testing, continuous integration, and task automation)
- Communicated empathetically and clearly with classmates, team members, instructors, and staff

Individual project – Autopool.io

Created single-page app enabling easy carpool discovery with social-based manual and algorithm-driven grouping and route generation and optimization

AngularJS, Angular Material, Firebase Real-Time Database, Authentication, and Hosting, Google Maps API, Grunt, npm

autopool-io.firebaseio.com

Group client project – GREATER MSP

Created single-page app and CMS for GREATER MSP to facilitate Minneapolis-Saint Paul metro companies in exporting their products and vastly more efficiently communicate exports requirements and regulations

AngularJS, Angular Material, Firebase Authentication, Node.js, Express.js, PostgreSQL, Heroku, Grunt, npm

exports-navigator.herokuapp.com
(Live on client website: greatermsp.org/exports)

Additional Experience

Driver

Lyft — Sept 2014 - Present

- Consistently earning an average 5.0-star customer rating whilst navigating metro area

Bus Operator

Metro Transit — Jan 2015 - Oct 2015

- Operated 40-foot and articulated buses on fixed-route service throughout day and night, earning more than three commendations from riding public

Delivery Driver

Bite Squad — Dec 2013 - Feb 2015

- Delivered over 1,300 internet-facilitated restaurant orders throughout metro area

Moderator

Swappa — Sept 2014 - Jan 2015

- Facilitated online used device marketplace, preventing fraud with and ensuring quality in over 300 listings daily

City Carrier Assistant

USPS — June 2013 - Oct 2013

- Sorted, delivered, and picked up mail and packages in NW suburbs and NE Minneapolis six days (50+ hours) per week

Managing Editor

City College News — Apr 2010 - May 2013

- Terminated MTV College Media Network contract in favor of self-hosted WordPress news website, moving towards web-first paradigm
- Instituted first-ever stipends for non-editorial board staff (writers, photographers, designers, etc.)
- Grew advertising revenue (print and digital) to outpace fixed monthly printing cost (\$500/month), funding staff stipends and conference travel and paving way for later transition to biweekly publication from monthly
- Managed \$12,000 college-provided annual budget and represented organization in Student Senate

Editorial Intern

The Daily Caller — Jan 2011 - Apr 2011

- Aggregated content for various sections on WordPress-based website
- Copy-edited others' articles prior to publication
- Transcribed and recorded audio of politicians at White House and US Capitol for senior reporters

Education

Full Stack Software Engineering Certification

Prime Digital Academy — 2015 - 2016

- Designed to prepare students for employment in the software/applications development field through an intensive 18-week program
- Focused on the JavaScript-based MEAN stack (MongoDB, Express.js, AngularJS, and Node.js), front-end development, additional technologies and frameworks (HTML/CSS, Bootstrap, SASS, and jQuery), and databases (PostgreSQL)
- Dedicated to producing competent developers for prospective employers with the resourcefulness to learn every day, the soft skills needed in today's job market, and who thrive through teamwork

Liberal Arts Coursework

MCTC — 2010 - 2015

Political Journalism Certificate

Georgetown University — 2011

Volunteering

Assistant Head Election Judge

City of Minneapolis — Oct 2012 - Present

Voter Registration Drive Organizer

Self — Jan 2008 - Mar 2008
